

## Welcome

Dr. Nupur Kapoor Neutiker

Dear Colleagues,

It gives us immense pleasure to invite you to the 13th World Congress on Neurosurgery where the focus is on progress in neurosciences.

Our key faculty is Dr. Jean Paul Marie from France who is considered by a lot of people as a great expert in the field. He has been the main theme of the surgery part. We also have renowned national faculty who will surely make this workshop an incredible experience.

Dr. M. V. Kishore
